

PRESS RELEASE

Citation Mustang Interest Group attracts widespread interest

Citation Mustang Interest Group, CMIG for short, has already gained many new members and friends in its first six months of existence. From 25.04. to 28.04.2019 there will be a large conference held. The venue for the meeting is the brand new 5 * Hotel Grand Park in the historically interesting place Rovinj (Istria). The Experience and the technical discussions will be a width room granted. The supporting program is also impressive and guarantees the participants epicurean highlights of the truffle region of Istria.

Interested Mustang owners, pilots and friends can Like Atm Association spokesman Hans-Alfred Kaut (info@cmig.aero). More information about the association can be found on the homepage www.cmig.aero.
